1 October 2018

Dear Member

Annual BonCap Income Verification

Every year we conduct an income verification process for members on the BonCap option. This ensures that you are placed on the correct income band according to the contributions you pay to Bonitas.

If you would like to remain on the BonCap plan for 2019

Please complete the attached BonCap Income Verification Form and send it to us together with all the required documents before 31 October 2018. You can email this information to boncapincome@bonitas.co.za or fax it to 011 671 5040.

Please note: If we do not receive a fully completed form with the required documents by 31 October 2018, you will be placed on the highest income band for 2019 contribution collections.

If you would like to change your option

We will be sending you further communication regarding plan changes for 2019 in October. Please look out for this communication which will include the 2019 Change of Option Form. Complete the form and send it through to us before the option change cut-off date.

If you have any questions or need any further assistance, please call us on 0861 239 333.

Kind regards
Bonitas Medical Fund
