WHO DOES THIS BENEFIT COVER?

We pay claims for emergency medical and related expenses, to the medical services provider, while the dependant(s) are on an insured journey. This applies to all options except BonCap.

Please note: Beneficiaries must be over 3 months of age.

WHAT DOES THIS BENEFIT COVER?

We pay claims for your emergency medical and related expenses while you are on an insured journey to the provider of the medical expenses.

- Emergency medical expenses
- Medical evacuation and transport
- Hospitalisation
- Out-patient and in-patient treatment
- Optical and dental expenses
- Mandatory vaccine expenses
- Travel assist services

Cover is:

- Provided for up to 90 days per trip, irrespective of the number of trips made during the year
- Limited to R5 million per person up to a maximum of R10 million per family
- Subject to certain exclusions (such as pre-existing conditions and certain sports activities which are limited to R100 000)

HOW DO I GET EMERGENCY ASSISTANCE WHILE I'M TRAVELLING?

Bryte Travel Assist has been appointed to provide emergency assistance. Emergency medical services are available 24 hours a day, 7 days a week. Call **+1 416 642 2910** as soon as possible if you need assistance. Reverse call charges are also accepted.
