Important:

This is only a summary of the available benefits. Please consult the registered Medihelp Rules for more information and details of services that are excluded from benefits. In case of a dispute, the Rules of Medihelp will apply (subject to approval by the Council for Medical Schemes).

- Certain added insured benefits are not available if you have been registered for a chronic/PMB condition as it is no longer considered as preventive care and may be linked to a specific age/gender/item code/clinical validity criteria. Benefits are paid at 100% of the MT.
- Doctor's consultation paid from available day-to-day benefits.
- Subject to pre-authorisation and/or protocols
- Generic medicine = 100% of MMAP | Original medicine - no generic available = 80% of MT | Choose original medicine - generic is available = 70% of MMAP
