

Plus product summary

This is a summary of the comprehensive Plus benefit option.

Plus Comprehensive

Our top-of-the-range option offers the most extensive cover for medical services. Its ample benefits include unlimited cover for medical emergencies, private hospitalisation and preventive care, as well as substantial provision for acute and chronic medicine, radiology, and day-to-day medical expenses.

Principal member		R8 202
Dependant		R8 202
Child dependant <26 years		R2 046

The monthly contribution does not take any employer subsidy into account

Important:

This is only a summary of the available benefits. Please consult the registered Medihelp Rules for more information and details of services that are excluded from benefits. In case of a dispute, the Rules of Medihelp will apply (subject to approval by the Council for Medical Schemes).

- Certain added insured benefits are not available if you have been registered for a chronic/PMB condition as it is no longer considered as preventive care and may be linked to a specific age/gender/item code/clinical validity criteria. Benefits are paid at 100% of the MT.
- Doctor's consultation paid from available day-to-day benefits.
- Subject to pre-authorisation and/or protocols
- Generic medicine = 100% of MMAP | Original medicine - no generic available = 80% of MT | Choose original medicine - generic is available = 70% of MMAP
