

THE MEDSHIELD WEBSITE FOR MEMBERS

REGISTER ON THE Medshield website and have your healthcare information readily available, whenever, wherever!

The Medshield website is a treasure trove of information, but once you have logged into the member portal, the information is personalised – with your **real-time** updated information at your fingertips 24/7; 365

Additionally, once you have registered on the website, and have your login details, you can use the same details to download the Medshield App for Android and Apple iPad or Iphone!

Even your beneficiaries can register and view the membership records – with the Principal Member's approval of course.

It really is quite easy to register on the website, just follow the following steps:

Medshield website registration process

- 1.
- Visit www.medshield.co.za

Click on Create Account

Click on Member

Add in your membership number as provided by Medshield
- 2.
- Choose if you would like to register as:
Principal member
Beneficiary

And click on **your choice**

Submit
- 3.
- Complete the required information:
Your username
Email Address
Password

And tick the box to receive information from the Scheme
- 4.
- Activate the link sent to the email address you specified in Step 3.**

If you are a beneficiary then the Principal Member of the Scheme will also receive an email and will need to approve your registration
- 5.
- Voila!**

You are registered to view your records and can now use the tools to keep you informed of your healthcare!
