### Change to Necesse's contributions in 2020

Please note that there have been minor amendments to the Necesse option's contributions for 2020 since you received our previous communication, which have been approved by the Council for Medical Schemes. The comprehensive benefits of the Necesse option will remain unchanged.

The approved monthly contributions of Necesse for 2020 are:

#### Monthly contributions

		R0 – R600 Full-time students
Gross monthly income		
Principal member		R598
Dependant		R598
Child dependant <21 years		R598

Please remember to provide Medihelp with a letter from your tertiary institution as proof of your full-time studies by **31 March** of each year in order to remain on the full-time students' income category.

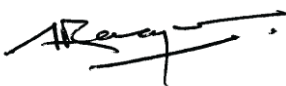

Your latest Necesse guide with the amended contribution table as well as information on networks, benefits, and processes to follow in 2020 is provided for your convenience – please click on the link to download the guide.

Should you consider interchanging to another Medihelp option from 1 January 2020, please notify us via the [Member Zone](#) or by email to [membership@medihelp.co.za](mailto:membership@medihelp.co.za) by Monday, **16 December 2019** at the very latest. After this date, interchanges between benefit options will not be accepted. If you wish to phone Medihelp to interchange, please do so before 16:00 on Friday, **13 December 2019** on 086 0100 678 to allow enough time for the interchange to be processed.
