I, \_\_\_\_\_ (patient's name and surname) the undersigned, declare that:

- a) I understand that all personal clinical information supplied to the PMB programme will be used to determine access to specific benefits for PMB conditions.
- b) The programme's Medical staff will review this information in order to make recommendations regarding the provision of these benefits. My/my dependant/s healthcare provider, however, retains responsibility for my/my dependant/s care, irrespective of the benefits so authorised.
- c) I/we therefore authorise any healthcare provider, hospital, clinic, laboratory and/or medical facility in possession of any medical information regarding myself (the applicant) or any dependant (including new born baby), to provide the PMB programme with information that it may require.
- d) I warrant that the information in this application form is correct. I acknowledge that I will be responsible for any co-payments as per Scheme Rules or payment for any medication and/or investigations not authorised by the PMB team.
- e) I understand and agree that medical information relevant to my current state of health can be used for the purpose of scientific, epidemiological and/or financial analysis without disclosure of my identity.
- f) I acknowledge that benefits authorised by the PMB programme are subject to Managed Care guidelines.
- g) I am aware that more information on the PMBs can be obtained from the Scheme and the Council for Medical Schemes (CMS).

A DSP is a healthcare provider or group of providers who have been selected by the Scheme to deliver the diagnosis, treatment and care in respect of PMB conditions to its members.

If you choose to use a healthcare provider other than the DSP for the treatment of a PMB condition, the Scheme may impose a co-payment or limit the rate at which claims are reimbursed.

Please select one of the reasons for the waiver request below:

- Service not available from DSP/could not be provided without unreasonable delay
- Immediate (emergency) treatment required under circumstances where DSP could not be readily accessed
- DSP not within reasonable proximity

**Additional information in support of request:**

Please note that application to waive the non-DSP override will not be considered unless sufficient proof is provided that treatment at the DSP could not be reasonably accessed.
